Subject: RE: Your Freedom of Information request at the Department of Foreign Affairs and Trade - Our Ref FOI/Req/19/211

Dear Mr McDermott

I refer to your recently submitted request for information, made under the terms of the Freedom of Information Act 2014, in which you requested the following:

I am requesting the release of records relating to the proposed Mercosur-EU deal since 28 June. I am specifically requesting:

- **Any correspondence to the Tánaiste from farmers or farmer's groups or unions regarding the deal;**
- **Minutes of any meetings attended by the Taoiseach regarding the deal since 28 June.**

I have consulted with colleagues in this Department and conducted a search of our files and have found no records that fall within the scope of your request.

Regarding the second point of your request, this may be more appropriately directed to the Department of the Taoiseach, who would hold records of any meetings attended by the Taoiseach.

Kind regards

Niamh

Niamh Kenny
