Hi Simon, thank you so, so much for offering me this incredible opportunity. It will be such a privilege and I will be so proud to serve Ireland again. I think the time is really ripe for change too.

Could you let me know time period appointment is for, and what are next steps. As you know, am working with UNFPA till mid or end of June. Thank you again so much Simon - especially when you have so much on your plate. I spoke with paschal too yesterday. Warmest, Katherine
