Subject: Election Roster Recruitment

Dear Mr Downes,

I wish to make an FOI request for all records concerning applicants for the Election Roster 2013 that applied late or were allowed to apply electronically, including details of any missions that they subsequently participated in as well as representations made on their behalf.

In my view, It is highly unusual in any recruitment exercise to allow in late applications and there is a strong public interested in establishing what happened and the degree of unfairness against applicants that applied on time or whose late applications/postal applications were refused.

I make this request under the FOI Act. Given the postal delays that appear to existing between your Limerick branch and Dublin I kindly request the records are sent electronically to me

Regards,
