*Article 5***Proof of origin and administrative cooperation**

1. Without prejudice to the application of any measure deriving from the common commercial policy, proof of origin properly issued by either Albania or Croatia or made out in the framework of a preferential agreement applied between them shall be accepted in the respective countries, provided that:

- (b) the proof of origin and the transport documents were issued or made out no later than the day before the date of accession;
- (c) the proof of origin is submitted to the customs authorities within a period of four months from the date of accession.

- (c) These authorisations shall be replaced, no later than one year after the date of accession of Croatia, by new authorisations issued under the conditions of the SAA.

3. Requests for subsequent verification of proof of origin issued under the preferential agreement referred to in paragraph 1 shall be accepted by the competent customs authorities of either Albania or Croatia for a period of three years after the issue of the proof of origin concerned and may be made by those authorities for a period of three years after acceptance of the proof of origin submitted to those authorities in support of an import declaration.

*Article 6***Goods in transit**

1. The provisions of the SAA may be applied to goods exported from either Albania to Croatia or from Croatia to Albania, which comply with the provisions of Protocol 4 to the SAA and that on the date of accession of Croatia are either en route or in temporary storage, in a customs warehouse or in a free zone in Albania or in Croatia.
